

REINFORCEMENT ACTIVITIES

Subject: English

Grade:

Period: II

Year: 2019

SUGGESTION

Each period, the teacher formulates a problematizing question or situation related to the learning goals that help the student to train him/herself and get ready to prove his/her knowledge and proficiency levels in each area. This process is scheduled from May 20th to 24th. The student should consult the bibliographic references cited by the teacher and turn in three academic products for the period.

1. Problematizing question:

What are the benefits of sharing and learning with others?

2. Learning Goals:

- I am able to identify the general theme and the relevant details in discussions, radial information and oral presentations.
- I am able to write apologies and promises for specific situations.
- I am able to consider the benefits of sharing and learning with others.

3. Activities:

1. Explain the first conditional and add ten examples of it.
2. Make a short explanation about the future with "Will" and add eight examples.
3. Make a short explanation about the future with "Going to" and add eight examples.
4. Explain briefly the topic of "Modal Verbs".
5. Create a short story by using future tense (will and Going to).
